Volunteering information from Team London

The Mayor's volunteering programme for London, Team London (volunteerteam.london.gov.uk) makes it quick and easy for Londoners to give their time, find volunteering opportunities and do great things for their city.

Whether it's cleaning up the environment or volunteering at one of the capital's great events, Team London mobilises the community spirit and enthusiasm of Londoners to make a difference.

Volunteering is good for your job prospects too. In a recent study by Timebank 94% of employers asked think that volunteering adds to skills and 73% would employ someone with volunteering experience over those without.

Building on all the work that is already taking place in the capital, Team London focuses efforts on areas where volunteers can make the biggest impact. These priority areas are:

Making London a better place to live - making the capital greener and cleaner, increasing healthy living, strengthening your local community, and getting involved in cultural and sporting events across the capital.

Increasing opportunities for young people - giving young people the chance to gain experience and skills.

There are thousands of volunteer opportunities listed on our volunteer opportunity search (<http://volunteerteam.london.gov.uk/search/>) - from helping young people gain new skills, to creating community gardens or befriending an older person, you're sure to find something to suits you.

Each month, we'll send you the Team London newsletter including the latest volunteering opportunities, plus you'll be the first to hear about volunteering roles at high-profile sporting and cultural events such as RideLondon, Euroleague Basketball and Gigs, the Mayor of London's busking compebtion.
